27. Time is of the essence hereof.
28. The Tariff shall be deemed to constitute the entire agreement between WAA and the Customer with respect to the use by the Customer of the Airport and the Airport Resources and shall supersede all previous negotiations, representations and documents in relation to the use by the Customer of the Airport Resources except where there is a separate written agreement between WAA and the Customer with respect to the specific subject matter thereof and then only to the extent so specified in said separate written agreement with respect to such specific subject matter.
29. The Tariff shall enure to the benefit of and be binding upon the successors and permitted assigns of the Customer and WAA, as the case may be, and nothing herein shall restrict the ability of WAA to transfer or assign its interests herein. The Customer shall not assign, in whole or in part, any of its rights or obligations under the Tariff without the prior written consent of WAA.
30. If any covenant, obligation, agreement, term or condition of the Tariff or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of the Tariff, or the application of such covenant, obligation, agreement, term or condition to persons or circumstances other than those in respect of which it is held invalid or unenforceable, shall not be affected thereby and each covenant, obligation, agreement, term and condition of the Tariff shall be separately valid and enforceable to the fullest extent permitted by law and the invalid or unenforceable covenant, obligation, agreement, term or condition (as the case may be) shall be modified so as to be enforced to the fullest extent permitted at law, with retroactive effect to the date of the Tariff.
31. The Customer shall adhere to the *Official Languages Act* of Canada (as amended or replaced from time to time) and the regulations made thereunder as may be amended from time to time and all applicable policies of the Government of Canada and of WAA relating thereto, to the extent the same shall be applicable to the operations of the Customer at the Airport.
32. Except as expressly set forth herein, any notice or other writing required or permitted to be given under the Tariff shall be in writing and, if hand delivered or transmitted by facsimile, shall be deemed to have been given on the date of such delivery or transmission. If sent by prepaid registered mail, any such notice or other writing shall be deemed to have been given three (3) business days after the date of posting. The last known address of the Customer as shown in the records of WAA shall be deemed the Customer's valid address for service.
33. In any circumstances where the consent or approval of WAA is required herein, or where WAA is entitled to exercise discretion, WAA shall, except to the extent (if any) expressly stated otherwise herein, be entitled to withhold such consent or to exercise such discretion in its sole and absolute discretion. WAA shall not be required to give any reason for refusing to provide any consent or approval, nor shall WAA be required to disclose the manner in which it exercised any discretion.

34. The division of the Tariff into sections, subsections, and paragraphs and the insertion of headings are for convenience of reference only and will not affect the construction or interpretation of the Tariff.
35. All words used herein shall be construed to include the plural as well as the singular, and words in the present tense shall include the future tense.
36. The language in all parts of the Tariff shall be construed simply according to its fair meaning and not strictly for or against either WAA or the Customer.
37. Each of the terms "including", "include" and "includes", when used in the Tariff is not limiting, whether or not non-limiting language (such as "without limitation", "without limiting the foregoing", "but not limited to" or words of similar import) is used with reference thereto.
38. The expressions "herein", "hereto", "hereof", "hereby", "hereunder" and other similar terms refer to the Tariff and any amendments hereto, and not just to the particular clause or paragraph in which those words appear.
39. No waiver or acquiescence by WAA of any breach of the Tariff is valid except if given in writing. Any such waiver or acquiescence shall not constitute a consent to or waiver of or excuse for any other different or subsequent breach or act unless such waiver or consent is in writing.
40. No remedy conferred upon or reserved in favour of WAA under the Tariff will exclude any other remedy so conferred or reserved or existing at law or in equity but each will be cumulative and in addition to every other remedy given under the Tariff or existing at law or in equity.
41. Nothing in the Terms and Conditions will prevent WAA from applying for or obtaining any interim, interlocutory or preliminary injunctive or declaratory relief or from bringing any claim for contribution or indemnity in the same court in which a suit is brought either by or against WAA.
42. The Tariff shall be governed by and construed in accordance with the laws of the Province of Manitoba (without reference to its conflict of laws provisions), including the laws of Canada applicable therein. The Courts of Manitoba shall have exclusive jurisdiction to entertain and determine all Customer disputes and claims, whether for specific performance, injunction, declaration, damages or otherwise, both at law and in equity, arising out of or in any way relating to the Tariff. The Customer hereby irrevocably attorns to and accepts the jurisdiction of the Courts of Manitoba.

43. Any judgment or court order rendered by any of the Courts of Manitoba may be entered in any court of law in any province, country, state or territory (referred to in this section as an "Other Court") having jurisdiction over the Customer or any of the Customer's assets. WAA may commence and prosecute any action in an Other Court or apply to any Other Court for a remedy at law or equity, or for judicial acceptance of a Manitoba judgment or court order (as the case may be) and for an order of enforcement thereof. A judgment or court order of the Courts of Manitoba or any Other Court (as the case may be) may be enforced in any Other Court, and the Customer waives any defence thereto and shall submit to the jurisdiction of the Other Court.
